

# Harris County Appraisal District

## PDATA CODEBOOK

Zipfile Name	Text file Name	Description
Hearing_files.zip	arb_hearings_pp.txt	Personal property account, state code, owner, date of hearing, release date, conclusion code, initial and final values and etc.
	arb_hearings_real.txt	Real property account, state code, owner, date of hearing, release date, conclusion code, initial and final values and etc.
	arb_protest_pp.txt	Personal property account, protest by, date of protest.
	arb_protest_real.txt	Real property account, protest by, date of protest.
Real_acct_owner.zip	deeds.txt	deed information.
	owners.txt	multiple owners.
	parcel_tieback.txt	
	permits.txt	an account including permit type, permit description, and status.
	real_acct.txt	account including owner name, owner mailing address, values, site address, and legal descriptions
Real_building_land.zip	real_neighborhood_code.txt	neighborhood code, group code and description
	ownership_history.txt <i>(only in current year)</i>	current ownership history (only in current year).
	building_other.txt	all other real properties, such as commercial and information for income producing properties including occupancy rates and operating income.
	building_res.txt	all residential information.
	exterior.txt	general data about buildings and sub areas, (style or use, size, year built).
	extra_features.txt	extra features for an account. This includes wood deck, pool, storage shed, detached garage, etc. This also contains information on cracked slabs and pools.
	extra_features_detail1.txt <i>(only in current year)</i>	extra features for an account in residential/Real, Farm & Ranch Improved/Personal Prop. Mobile Home/ Inventory Improved/Condo etc. Except the information in extra_features, this includes each feature's appraised value, depreciated value etc. (only in current year)
	extra_features_detail2.txt <i>(only in current year)</i>	extra features for an account not in the extra_features_detail1.txt. Except the information in extra_features, this includes each feature's appraised value, depreciated value etc. (only in current year)
	fixtures.txt	characteristics of the building. This includes bedrooms, fireplace, bathrooms, stories for residential. Also contains wall height, elevators, and other descriptions for commercial property.
	land.txt	land use, acreage, and land units.
Real_acct_owner_ship_history.zip	land_ag.txt	agricultural and timber land information including land use, acreage, and land units.
	structural_elem1.txt	Single Family, Multi Family, Condos, Town homes Home Information (CDU, Grade Adjustment, Physical Condition).

	structural_elem2.txt	<i>Commercial and exempt Properties. These files contain structural elements of a property. This includes information like physical condition, grade, exterior wall, and foundation type.</i>
Real_jur_exem pt.zip	jur_exempt.txt	<i>Lists the jurisdictions and exemptions associated with an account and the tax rates.</i>
	jur_exempt_cd.txt	<i>Lists the exemption code associated with an account.</i>
	jur_exemption_dscr.txt	<i>Lists the jurisdictions and their exemption description.</i>
	jur_tax_dist_exempt_value.txt	<i>Lists the jurisdictions and their exemption values.</i>
	jur_tax_dist_percent_rate.txt	<i>Lists the Taxing district percent rates.</i>
PP_files.zip	jur_value.txt	<i>Lists the jurisdictions and values associated with an account.</i>
	t_business_acct.txt	<i>account, including owner name, owner mailing address, values, site address, and legal descriptions, all values and etc.</i>
	t_business_detail.txt	<i>account, items, description and item values.</i>
	t_jur_exempt.txt	<i>Lists the jurisdictions and exemptions associated with an account and the tax rates.</i>
	t_jur_tax_dist_exempt_value.txt	<i>Lists the jurisdictions and values associated with an account.</i>
	t_jur_tax_dist_percent_rate.txt	<i>Lists the Taxing district percent rates.</i>
	t_jur_value.txt	<i>Lists the jurisdictions and their exemption values.</i>
	t_pp_c.txt	<i>Pipelines data.</i>
	t_pp_e.txt	<i>Minerals data.</i>
	t_pp_l.txt	<i>Electrical Transmission / Distribution Lines data.</i>
Code_description_real.zip	desc_r_01_state_class.txt	<i>Real Property State class. It is also called Property Uses.</i>
	desc_r_02_building_type_code.txt	<i>Building Improvement Types Code.</i>
	desc_r_03_building_style.txt	<i>Building Styles.</i>
	desc_r_04_building_class.txt	<i>Building Class of improvement.</i>
	desc_r_05_building_data_elements.txt	<i>Building Data (Elements and Fixtures), Element Categories</i>
	desc_r_06_structural_element_type.txt	<i>Structural Element Types.</i>
	desc_r_07_quality_code.txt	<i>Quality Code.</i>
	desc_r_08_pgi_category.txt	<i>Potential Gross Income Categories.</i>
	desc_r_09_subarea_type.txt	<i>Subarea Types.</i>
	desc_r_10_extra_features.txt	<i>Extra Features Use Codes.</i>
	desc_r_11_extra_feature_category.txt	<i>Extra Feature Categories.</i>
	desc_r_12_real_jurisdictions.txt	<i>Real Property Jurisdictions.</i>
	desc_r_13_real_jurisdiction_type.txt	<i>Real Property Jurisdiction Type.</i>
	desc_r_14_exemption_category.txt	<i>Exemption Categories.</i>
	desc_r_15_land_usecode.txt	<i>Land Use Codes.</i>
	desc_r_16_influence_factors.txt	<i>Land Influence Factors.</i>
	desc_r_17_relationship_type.txt	<i>Real Property Relationship Types.</i>
	desc_r_18_permit_status.txt	<i>Permit Status.</i>
	desc_r_19_permit_code.txt	<i>Permit Codes.</i>
	desc_r_20_school_district.txt	<i>Independent School District.</i>
	desc_r_21_market_area.txt	<i>Market Areas.</i>
	desc_r_22_hisd_section.txt	<i>HISD section.</i>
	desc_r_23_special_codes.txt	<i>Special Codes</i>
	desc_r_24_agent_roles.txt	<i>Agent Roles.</i>
	desc_r_25_conclusion_code.txt	<i>Conclusion code to reflect the results of a hearing.</i>
	desc_r_26_neighborhood_num_adjust.txt	<i>Neighborhood Number Adjustment.</i>
Code_description_pp.zip	desc_t_01_state_class.txt	<i>Personal Property State Class Codes.</i>
	desc_t_02_schedule_code.txt	<i>Schedule Codes.</i>
	desc_t_03_sic_code.txt	<i>SIC Codes.</i>
	desc_t_04_department_group.txt	<i>Department Groups.</i>
	desc_t_05_jurisdictions.txt	<i>Personal Property Jurisdictions.</i>
	desc_t_06_jurisdiction_type.txt	<i>Personal Property Jurisdiction Type.</i>
